Doctor Who 20th Anniversary Special A Special Release of Doctor Who DVD and digital.. Dota 2 Gameplay 101 - Zilean It's been a great time for the Dota 2 2: The International 2. With some exciting updates over the past months for this game, most notably the update on November 14, 2012, which introduced a large number of new heroes, to the Dota 2 2: The International 2 series, Dota 2 2: The International 2 features a unique format for its event, where the first-ever Dota 2 2: The International tournament takes place at the conclusion of TI2 events, in the most populated of cities. While there have been many good Dota2 players participating in this tournament, the big winners of Dota 2 2: The International 2 took home huge honors, taking home eight of sixteen overall points. That's quite impressive for a tournament that is not only filled with the strongest Dota 2 players around the world, but also has several of the strongest heroes from Dota in Dota 2 2. I think that we all could use some more heroes to try and make the best out of this event. Links/Notes for the episode.. Dota 2 Gameplay 101 - Aui_2000 An early attempt at a guide for heroes. Iceiceice is a versatile hero who can be used to any playstyle or playstyle with ease from support to mid, or just straight up burst damage and burst defense. In addition to being a powerful and unique hero that has the potential to become in depth, Iceiceice has proven to be a hard lane pick due to how easily he can shut it down. This is one of the best examples of what makes DOTA 2 great: variety, creativity and how it makes up for its lack of mechanical balance. Enjoy. Links/Notes for the episode.
